

COVID-19 Distancing in Daily Life

Visitor Guidelines

01

Please Cooperate

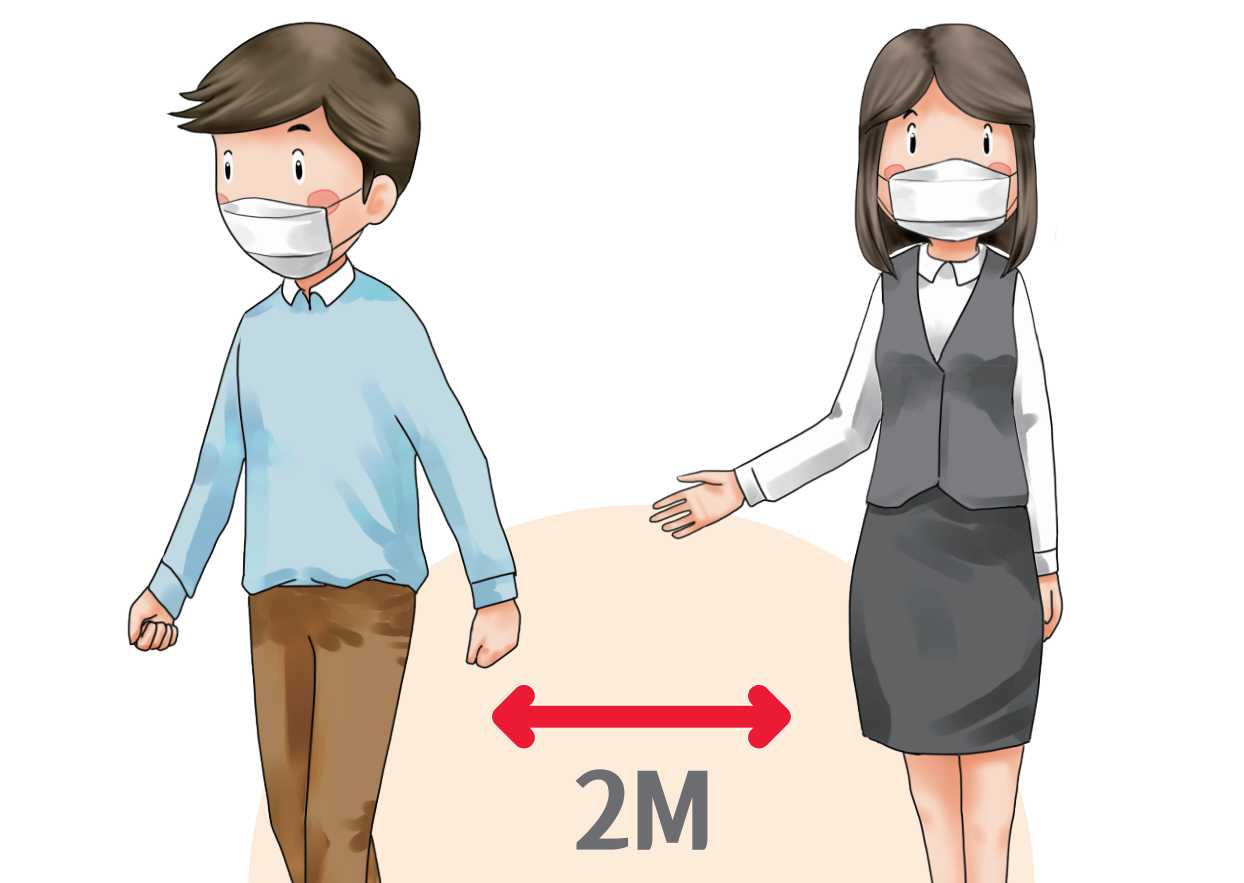

Please follow infectious disease prevention and control procedures, including **being checked for a fever and any respiratory symptoms.**

Please **put on a face mask** before entering.

02

Please Comply

Please try to **keep a distance of two meters, or a minimum of one meter**, from one another when moving around and queuing.

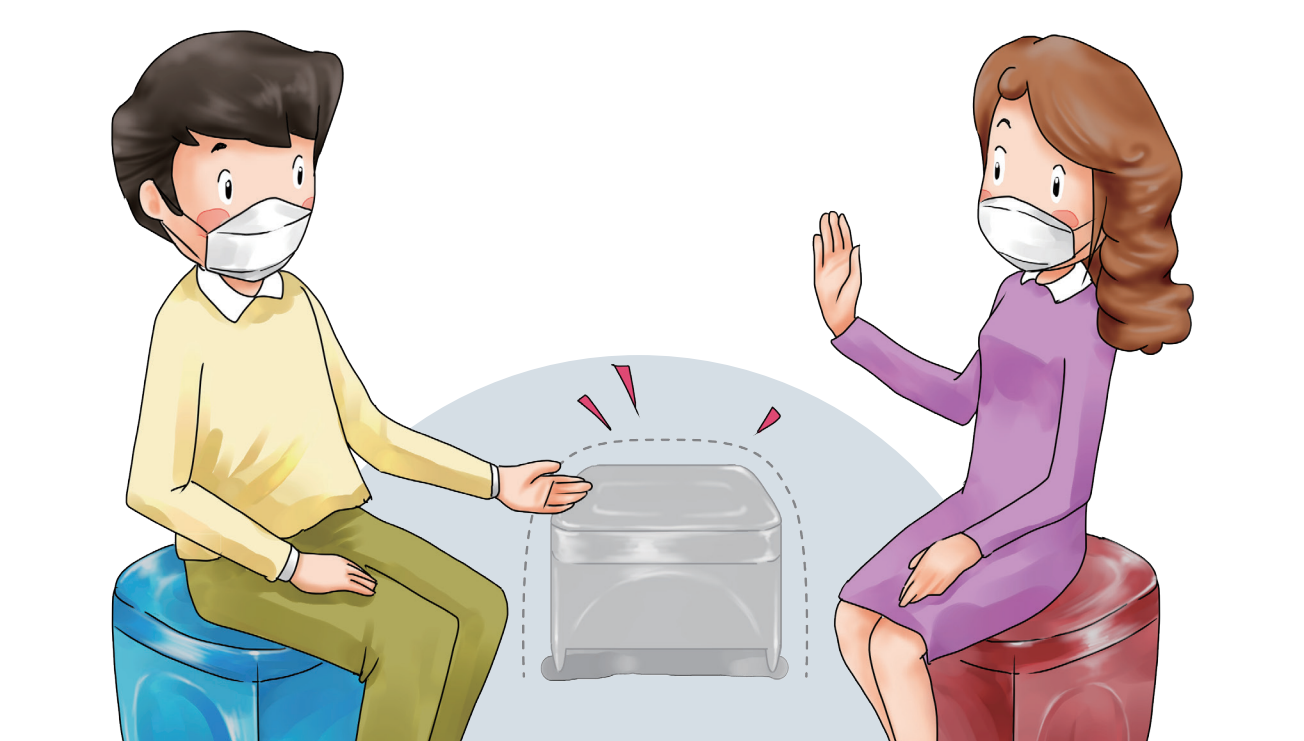

Please follow COVID-19 precautions such as **washing hands frequently and covering your mouth when coughing.**

03

Please Refrain

Please **refrain from physical contact** such as shaking hands and hugging and from talking loudly or **other activities that might spread droplets** from your mouth.

Please **avoid making a closely packed crowd** when using such public establishments as cafes, snack bars and restaurants.
